

Ato rug, Iperborea wall hanging and Stami daybed, all by Gallotti&Radice

PEACHY TONES AT GALLOTTI&RADICE

This design house has always been known for its prettiness and whimsical forms, but this year it softened its already rounded edges by embracing peachier tones. Multiple designs were specified in a slightly pinker version of beige, resulting in a smooth, enchanting warmth. A colour - and mood - that is wonderful to embrace. ▶
